**Present Address:** Tulasi Theatre Road, 10<sup>th</sup> Main Road, Marathahalli Bangalore Karnataka  
-560037

**Contact No:** 7729819987

### **Career Objective:**

To apply the knowledge, I acquired during my study that can be of great contribution to the organization. To Secure a responsible career opportunity to fully utilize my training and skills, while making a significant contribution to the success of the company.

### **Academic Qualification:**

**Graduated:** Bachelor of Technology, Civil Engineering at Annamacharya Institute of Technology and Science, Rajampet with a CGPA of - 7.94 CGPA (2020-2023).

**Diploma:** Diploma Civil Engineering at Govt., Polytechnic College Uravakonda

– 56.61% (2015-2019)

**10<sup>th</sup>:** SSC (High School) at Z.p High School Mopidi.- 4.8CGPA (2015)

### **Internships:**

- **Web Development Internship:**

Completed an 8-week online training on Web Development. The training consisted of HTML, CSS, Bootstrap, DBMS, PHP, JS, React, and Final Project modules.

- **TOTAL STATION in Ananya Global Consultants Private Ltd:**

From October 4th, 2021 to November 3rd, 2021 in this internship worked on the calculation of area, distance RDM (Remote Distance Measurement), and MLM (Missing Line measurement) using Total station.

### **Certification courses:**

- **NPTEL Introduction to the Internet of Things 4.0 Certification:**

Comprehensive IoT program covering fundamentals, applications, and practical skills. In-

Basic knowledge of IoT concepts, protocols, and technologies. Issued by NPTEL (National Programme on Technology Enhanced Learning).

- **Apprenticeship training Practical work in Civil Engineering:**

executed construction projects by actively participating in the design and development process; collaborated with Project Manager to review specifications and create comprehensive project plans and design sheets, resulting in streamlined project execution and improved efficiency. Duration: 45-day Industrial Training at Guntakal Municipal Corporation.

- **AutoCAD Certification:**

I am an AutoCAD Certified Professional with a proven track record in creating precise 2D and 3D designs. With my expertise in utilizing AutoCAD's comprehensive toolset, I am proficient in performing various tasks, including drawing, editing, and annotation.

### **Job Experience:**

- **Hyundai Glovis India Anantapur Pvt.Ltd:**

I've been working as a Sequencer in a Neem Trainee at SBBMT Contract Basic for the past eight months, dispatching car parts through the assembly area in the order that they are needed.

### **Projects:**

- **An Experimental Evaluation of Durability Properties of Glass Fiber-Reinforced Concrete (Civil Engineering):**

Globally, concrete is the most widely used building material. A contemporary global trend is the development of more challenging and complicated engineering structures. A stronger and more workable concrete is therefore required. International researchers are developing high-performance concrete by adjusting the number of fibers and admixtures they add. The technique of glass fiber reinforced concrete (GFRC) is relatively new.

### **Computer and Technical Skills:**

- Front-End Programming : HTML5, CSS, Bootstrap & Javascript, ReactJS
- Programming Language: C-Language, Python
- Database: SQL, MySQL & MongoDB
- Version Control: Git & GitHub
- API's
- Microsoft Office

### **Abilities:**

- To Work in a Team
- Good communication Skills
- Self-motivation
- Adaptability, flexibility, and hardworking
- Interpersonal

**Languages known:**

- English
- Telugu

**Others:**

- Cooking
- Listening Music
- Traveling
- Volunteering
- Basketball
- Self-Motivated
